Need More Paper?

Call Toll-Free 800-891-1094 or go to colmanandcompany.com to re-order.

Print Optimizer settings:

1) Under Layer Profile - Remove the checkmark next to white to turn white toner off and check "no mirror".

Please note – if you are working under a queue that is programmed to mirror designs when importing, this radio button will NOT override it, it will need to be unchecked on the main screen (see below).

 Settings 	Layer Profile
