

INTERCHANGEABLE CAP PLATENS

Key Features

Design

They are perfect for youth, golf, and ball cap sizes. Interchangeable Cap Platens are easy to use and help expand your heat transfer capabilities and create custom imprints. They provide a clean, professional finish. Our platens come in various sizes and can be used for pressing low-profile, full crown, oversized, and low-crown caps and hats. They are perfect for youth, golf, and ball cap sizes.

Specifications

Golf Cap Platen	3"x5.5"
Ball Cap Platen	3.75"x5.875"
Youth Cap Platen	2.75"x5.25"

Overview

Never stretch or wrinkle another cap! HIX Cap Platens are designed to fit our B-250, P-250, and B-250D cap transfer machines.

100% Made in the USA – HIX has its own 110,000 sq ft manufacturing facility with its very own fully integrated aluminum foundry, CNC mill operation, welding, metal forming, wiring, fabrication, assembly, and packaging departments.
